WILDLIFE HAZARD ASSESSMENT AND MANAGEMENT PLAN REQUEST FOR PROPOSALS

The Municipal Airport Authority of the City of Fargo, North Dakota requests proposals from interested and qualified firms that can provide a wildlife hazard assessment and management plan to Fargo's Hector International Airport.

Proposals are due by 4:30PM on Thursday, May 23, 2013.

A detailed RFP document can be obtained by [clicking here](#).

Disadvantage Business Enterprise (DBE) firms or individuals are encouraged to participate. Proposers claiming DBE participation need to be certified by the North Dakota Department of Transportation unified certification program.

The Municipal Airport Authority has the right to accept or reject any or all proposals and to waive any formalities.
