

REQUEST FOR QUALIFICATIONS (RFQ)

ARCHITECTURAL SERVICES FOR A PROPOSED U.S. CUSTOMS & BORDER PROTECTION GENERAL AVIATION FACILITY

The Municipal Airport Authority of the City of Fargo, North Dakota is seeking information from qualified firms to provide architectural services relating to the design, bidding and possible construction of a new general aviation facility that will be occupied by U.S. Customs and Border Protection at Hector International Airport located in Fargo, North Dakota.

Firms responding to the RFQ must submit their information on or before 2:00PM on Thursday October 28, 2010.

You can mail the information to:

Municipal Airport Authority
PO Box 2845
Fargo, North Dakota 58108-2845

OR deliver the information to the Airport Authority office located at 2801 32nd Avenue North.

The Airport Authority office is located on the 2nd floor by the gift shop.

The Municipal Airport Authority reserves the right to accept or reject any information received and to waive any formalities.
